

Greeting & Informed Consent

To address the important ethical considerations of conducting survey research, below is an example of our greeting and informed consent language from our 2020 [Coronavirus survey](#). We believe this language in line with the [AAPOR “IRB-approved” informed consent guidelines](#).

Introduction

- Please answer our URGENT Coronavirus survey,
 - Conducted by Reconnect Research.
 - Your call could not be completed and was sent to this survey.
-

Why Participate?

Our findings will be provided to organizations that help people who are being affected by the virus.

Emergency Reminder Warning

If you're in a risky or life-threatening situation press 9, otherwise don't miss this opportunity to have your voice heard! Let's begin!

- *[Pressed 9] If you are in a risky or life-threatening situation hang up, check the number you are calling and try again.*
 - *If you pressed 9 by mistake and want to help by answering the Coronavirus survey, press 1*
-

Age Screener

If you're 18 or older, press 1. If 17 or younger, press 5. To learn more, press any other key.

Informed Consent

- Thank you. This four-minute survey is voluntary, and your answers are confidential.
 - Please listen to the entire question and answers before responding.
 - For any question, if you would prefer not to answer, press the star key.
-
